Dear Kay Johnson:

Please accept the Removal Administrative Record #61193 for the Radiation-Standard Products Site. The United States Environmental Protection Agency (EPA) is required by law to establish an Administrative Repository at or near a facility at issue. These Administrative Records consists of information upon which the agency based its selection.

By providing the public with greater access to these records, it is our hope that they will be better equipped to comment constructively on site activities and to understand the appropriate issues.

We appreciate having the Wichita Department of Environmental Services as the designated Administrative Record facility for the Waverly Groundwater Contamination Site. The enclosed records, along with any future documents pertaining to the site, should be treated as non-circulating reference; it should not be removed from your facility.

These Administrative Records are the property of the EPA and the EPA will remove it when the site is closed. Please do not destroy.

To ensure the receipt of these Administrative Records, I would appreciate your completion of the enclosed Document Transmittal Acknowledgment form. Please return this form in the enclosed self addressed stamped envelope.

Again, I would like to thank you for your cooperation with the EPA in serving as a field repository. If you have any questions or comments, please contact me at (913) 551-7108.

Sincerely,

Johean Werst
